Ready to 'Load, Lock, and Go' Directly into Raptor Dovetail Fixtures

Raptor-Ready Dovetail Blanks are custom produced to your specifications and are Machine-Ready – order from one to thousands with quick turnaround. Each Raptor-Ready Dovetail Blank includes a Dovetail feature to match your specified fixture model and arrives Machine-Ready to go from receiving directly into your CNC machining centers.

TCI Precision Metals has been providing customers with Precision Machine-Ready Blanks for nearly 60 years. Raptor-Ready Dovetail Blanks provide the perfect complement to Raptor Dovetail Fixtures.

Maximize your investment in Raptor Dovetail Fixtures with Raptor-Ready Dovetail Blanks from TCI Precision Metals:

- Reduce setup time, including the number of setups
- Eliminate material prep – one less unnecessary operation in your shop
- Make fixturing and clamping faster and easier
- Reduce waste
- Reduce cycle time, chip-to-chip
- Improve part quality
- Better inventory management
- Reduce bottlenecks

Combining Raptor Dovetail Fixtures and Raptor-Ready Dovetail Blanks will dramatically increase throughput and reduce your overall cost of production jobs.
